NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS

To: Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

As required under 37 C.F.R. §1.27(g)(2), Applicant hereby notifies the U.S. Patent Office of loss of entitlement to small entity status.

Applicant understands that Notification of a loss of entitlement to small entity status must be filed in the application or patent prior to paying (or at the time of paying) the issue fee after the date on which status as a small entity is no longer appropriate. This Notification is made prior to paying the issue fee.

The notification that small entity status is no longer appropriate must be signed by a party identified in Rule 1.33(b), which includes a patent practitioner not of record who acts in a representative capacity under Rule 1.34, which states:

"When a patent practitioner acting in a representative capacity appears in person or signs a paper in practice before the United States Patent and Trademark Office in a patent case, his or her personal appearance or signature shall constitute a representation to the United States Patent and Trademark Office that under the provisions of this subchapter and the law, he or she is authorized to represent the

particular party on whose behalf he or she acts. In filing such a paper, the patent practitioner must set forth his or her registration number, his or her name and signature. Further proof of authority to act in a representative capacity may be required."

Applicant believes that the below-signed attorney is acting in a representative capacity under Rule 1.34 and therefore this Notification satisfies Rule 1.33(b).

If there are any questions concerning or deficiencies in this Notification, Applicant respectfully requests that the Patent Office contact the below-listed attorney.

Respectfully Submitted,

/Mark D. Trenner/
